

Cassville Schools Second Grade Learning Menu for Reading, Writing, and Math
 Week of April 6 -10, 2020

Main Dishes (Pick 2 from each)		
Reading	Writing	Math
<p>*Read a fiction (a story that is made up) story that you have at home. Write a summary using the summary page provided.</p> <p>*Read the Scholastic News “Why is the River Green” and answer the questions.</p> <p>*Read a book for 20 minutes and talk to someone about the connection you made to the story.</p>	<p>*Compare and contrast learning at home and learning at school. Which do you like better? Explain.</p> <p>*Create a new ending to a book.</p> <p>*Create a daily journal. This could be about your own thoughts, the activities that you have been doing, or things that you love to write about.</p>	<p>*Pick different items around your house, estimate how many you think there are. Then count to see how many there are. How close was your estimate?</p> <p>How many toys are laying on your floor? How many shoes do you have? How many books do you have? How many chairs are in your home?)</p> <p>*Use a deck of cards to add them together. (place two cards down then add) Everyday Math Addition Top It - YouTube</p> <p>*Math Printable</p>

S.T.E.M. Side Dishes (Pick 2)	Dessert (Pick 2)
<p>Makerspace: Stem activities you can do at home.</p> <p>*Natural Artist- Create a picture using natural materials you find outside.</p> <p>*Sink or Float- Choose at least 4 things you have at home. Make a prediction on which one will sink or float. Test your prediction.</p> <p>*Coffee Filter Flower- Take a coffee filter and color it with a marker. Spray it with water and watch the colors run. Once it dries, fold it up to look like a flower by attaching your coffee filter to a stick, clothespin, or straw. Repeat to make a bouquet.</p>	<p>https://classroommagazines.scholastic.com/support/learnathome/grades-1-2.html</p> <p>www.abcya.com</p> <p>www.Gonoodle.com</p> <p>www.starfall.com</p> <p>www.brainpop.com</p> <p>www.mathgames.com</p> <p>https://www.storylineonline.net/</p> <p>www.splashmath.com</p> <p>https://www.arcademics.com/games/kitten-hop</p> <p>https://optv.pbslearningmedia.org/</p>

Choose 3 activities of your choice and complete

ART

Create a rabbit or an Easter egg.
You can use a toilet paper roll, the bottom of an egg crate, or paper plate (just examples).
You can decorate with crayons, markers, string, glitter, paint, and/or whatever resources you have that will make it a beautiful creation. Let your imagination run wild!

Music

Google Classroom Code: dyoqoweto

Sing your favorite song to a friend, family member, or pet!

Interview a family member and ask about their favorite song, favorite musician, favorite instrument, etc.!

P.E.

Go outside for 20 mins and be active. For example going on a family walk or playing catch.

Have a dance party with your family!

Show your family members your Wildcat stretches.

Technology

-Take a trip to the San Diego Zoo. Watch the live cameras, play games, and read about different animals.

<https://kids.sandiegozoo.org/>

- Complete games on Keyboarding Without Tears.

<https://www.kwtears.com/> To sign in, choose Student Login.

The Educator Pin is 3FC777.

Then, you'll log in just like we do in class.

Library

The Library is all about finding a love for reading. Please spend some time reading for fun. There are several links on our [Eunice Thomas Elementary School](#) website under "[Student Resources](#)" where you can access a variety of eBooks and other fun resources.

You can also take [AR tests](#) at home! If you do not remember your log in information, ask your teacher.

AR link: <https://hosted327.renlearn.com/714005/>

Speech & Language

Let's go on a scavenger hunt! Use these clues: find something that moves (car, train, etc), find something that is bigger than a book, find something smaller than your hand, find something that starts with the first letter of your last name, find an animal, find something of your favorite color, find something that is heavy and find something that is light.

Flex Learning Activities

**Reading aloud and independent reading

**Board games and challenges with

**Math/strategy/critical thinking

**Puzzles

**Designing and building structures with blocks or other available materials
