Art

May Day was a tradition when I was in school. We would make a basket out of paper, place flowers in it, and then place it on someone's doorstep to wish them a happy May Day.

1. Make a basket, draw flowers, pick a vase of flowers.
2. Take a picture of them and send them to someone special, mail the picture, or leave the vase for someone in your house to find to brighten their day.
3. Make a little sign that says, "Happy May Day!"
