

Cassville Schools K - 5 Learning Menu for Reading, Writing, Math & Science

Week of March 30, 2020

*A drawing for a carry-out pizza will be held for students who complete the learning menu by Friday, April 3rd. Send a message to your teacher letting them know which activities you completed!

Main Dishes (Pick 2)

Kindergarten - 2nd Grade

- Read a book of your choice for 15 minutes each day. Place a checkmark in each box when this is complete.
Monday Tuesday Wednesday Thursday Friday
- Find your favorite recipe. Measure out all ingredients and make with a family member.
- **You are an expert! Write a book or draw and label a picture about something you know all about!**

3rd Grade - 5th Grade

- Read a book of your choice each day for at least 20 minutes. Checkmark each day when complete.
Monday Tuesday Wednesday Thursday Friday
- Choose your favorite recipe to make with a family member. Carefully read, follow directions, and measure ingredients.
- Write and illustrate a how-to or a narrative.

Side dishes (Pick 2)

Kindergarten - 2nd Grade

- Grab an old box or container out of the recycling and create something with glue, tape, stickers, paint, etc.
- Help organize a room in your home that needs organization. What kinds of things can you throw away or donate after you clean up?
- Find things that are heavy in your house. Draw and label them on a piece of paper.

3rd Grade - 5th Grade

- Draw a picture of the weather you WISH it was outside. What kind of things could you do in this weather?
- Help organize a room in your home that needs organization. What kinds of things can you throw away or donate?
- Look for patterns around your house. What do you notice about lines? colors? Shapes? Write about or draw what you found.

Dessert (Pick 2)

Choose 3 activities of your choice and complete.

<p>Eat a snack with pieces. How many pieces are in your snack? Can you divide it into equal parts?</p>	<p>Read 2 books with a family member. Talk about what happened in the beginning, middle, and end of the story.</p>	<p>Complete a puzzle or play a game with your family.</p>
<p>Find all the things in your home that are heavy. Draw and label them on a piece of paper.</p>	<p>Write numbers from 1-100. Color the number that shows your age, and your family members ages.</p>	<p>Draw or write about your favorite things to do. If you draw a picture label 5 things in your picture.</p>
<p>Read 3 books with a family member. Talk about your favorite part.</p>	<p>Grocery Shopping online or out of the grocery ad. Give yourself a budget and go shopping.</p>	<p>Help your family with a chore. What new chores can you learn to do?</p>
<p>Go on a nature walk with a family member. What do you notice?</p>	<p>Make a list of 10 things you would expect to find outside. Go on a scavenger hunt looking for these items.</p>	<p>Create an outdoor obstacle course.</p>
<p>Grab dominoes, playing cards, etc. What kind of game can you make with these items?</p>	<p>Imagine you opened your own restaurant. What food would you serve? Create a fun menu to show your family.</p>	<p>Do a random act of kindness.</p>
