Remember: Create a new experience in your AET account and record, by creating a journal entry, the amount of time and what knowledge you have gained! If you do not remember how to create a new experience or a journal entry, simply send me an email and I will be glad to walk you through the steps!

Please remember to continue updating your AET record books as you grow in your SAE. If you have questions about how to input something, Please email: Mr. Hinson or Mr. Littlefield

### Multimedia:

- Take this time to reflect on your experiences and create a video montage of your "Wellness Break". It can be a collage of images, still photos, or even video you shoot. Submit in Google Classroom upon completion.

student experiences, however, they can be very costly and time consuming. For this assignment you are to create a virtual field trip or simulated experience lesson. How can you give your students an outside of the classroom experience, without actually leaving the classroom? You will plan all components of this lesson. By the time you are finished, this lesson should be perfected and ready to use in the classroom setting.

skills have slowly disappeared. Watch this quick video of a simple old man's face. You can work your changes into it. You may find that others want to buy these from you. Try it on a pencil end. It won't take you long. Maybe 10 minutes, and then email me a picture of your finished whittle projects. Don't draw your pocket knife toward yourself.
