### Child Development- Dual Credit

★ [Child Development Comprehensive Project](#)  
 (posted in G. Classroom on 3/19)

- All students who are enrolled in dual credit for this class are REQUIRED to complete this assignment. If you are not enrolled in dual credit you are WELCOME to complete it as well, but are not required to. For those of you who complete it, your grade will be entered into Lumen, for those of you who do not complete it you will be marked EXEMPT on this assignment. The directions for this assignment are outlined within the slideshow.

*This is a lengthy assignment, spread it out and try to do 1 slide per week over the next month.*

## Industrial Technology

### Woods1:

There is a video on Google classroom for you to watch covering a pocket hole tool.

### Woods2:

There is a couple of videos for you to view on Google classroom. One is covering the controls of a paint gun, and the other is on spraying finishes.

### EbD:

There is a video about hydraulic pressures, force, and flow for you to watch on Google classroom. You can then work on the hydraulic calculations worksheet.

If you are using a computer other than your chromebook, and need the class code to your Google classroom.
